

**Selen Tokgöz**

*The Gateless Gate*

10.09.2020 – 10.10.2020

Selen Tokgöz's first solo show, **The Gateless Gate** can be seen at FAP between **10.09.2020-10.10.2020**. The exhibition, consisting of the artist's ceramic sculptures, takes its name from the Zen master Mumon's lecture notes. Tokgöz presents sculptural installations in which she transforms the ceramic material to accompany her own adventure of existence and awareness.

The works that are based on the expression of human nature are presented as expressions of various emotional states. In the exhibition, which consists of four works named as *Melancholy, Intuition, Dialogue* and *Balance*, are the continuation of a distinctive style she introduced at Base Istanbul.
